## **ASSISTANT PRINCIPAL AWARDS**

Congratulations to both Bethany Mace and Zoe Cahill on the Assistant Principal Awards they received at assembly on Monday morning. These were awarded to the girls for always being friendly and showing optimism, respectively.

## **BUILDINGS UPDATE**

### **Modular**

The Modular Building is nearing completion. Work is being carried out both internally and externally. Internally there has been plastering, painting and many other work being undertaken, whilst the outside work has generally centred on concreting and carpentry. We expect that landscaping won't be too far away with the whole project being completed prior to the end of this term, fingers crossed.

### **Old Main Building Refurbishment**

This work has mostly centred on demolition of external buildings and ramps. Internally, the builders are setting the scene for the conversions to take place. Again, the timeline for completion of this work should be early next term.

## STATE SOCCER

After a string of outstanding performances at the Gippsland Region soccer tournament, our girls progressed to the Girls Primary State Soccer Finals to be held at the Darebin International Sporting Centre on the 7<sup>th</sup> of September. Our girls will face tough competition in 3 pool games in Pool A with the winner facing the winner of Pool B for the State title! We are very proud of our girls and we know they will try their best and enjoy the experience on the big stage.

## DIVISION ATHLETICS

On the 4<sup>th</sup> of September, 5 of our most promising athletes will compete in their events at the Division Athletics tournament at the Joe Carmody Athletics Track in Newborough. Our students will face the best primary school athletes from around the Latrobe Valley in their quest to progress through to the Gippsland Region Athletics. We know our students will represent our school to the best of their ability and we wish them all the best!

## PARENT SURVEY

Just a reminder that the cut off date for completing this very quick survey is **Sunday 26<sup>th</sup> August**. It would be greatly appreciated if each family who was asked to do this survey could do so. Thank you so much for your assistance in this important Department of Education study.

Kind regards

**Peter Haberl**  
**Principal**

## SCHOOL ATTENDANCE

Congratulations to 5/6L for taking out Week 4's attendance award. **They had three out of five days with 100% attendance!**

Please remember to let the school know if your child is going to be away and why, as it is now government policy that we make calls to determine reasons, in the event a child is absent without notification.

There are lots of ways you can notify the school, including:

Phone                      Notes                      In person  
Class Dojo                Skoolbag App

Thank you for your support in this.

A huge **THANK YOU** to the families who have donated uniform items they no longer need. It is very handy to have something clean and dry to loan to students whose uniform has become wet and unwearable. It can be a very long day in wet clothes!

## Concert News

All students have been very busy with rehearsals with some songs nearly finished! They are doing a marvellous job. The main characters have begun practising their solo songs – which has been a little daunting for them, but they are trying their absolute best! Even the teachers have been busy, creating backdrops and props for different scenes in the musical.
