

NEWSLETTER

Dear Parents/Guardians,

As this is the last newsletter for this term, we would like to wish you all a safe and happy holiday break.

SCHOOL CONCERT

What a fantastic way to finish a busy term! "The Lion King Jr" was a huge success with the Thursday night tickets selling out a week before the show.

All grades were involved in special weekly rehearsals with Bek. The main characters gave up their own time during lunch for extra rehearsals to learn their lines and perfect their performances. **A HUGE thank you to Miss Tomkins and Miss Cook, the concert committee, teachers, ES staff and students for all of the time and energy they have put into the preparations and performances.**

Preparing for and performing in the school concert helps students to develop important skills and to have fun in the process. Students learn about:

- ♦ The importance of **practice** and **persistence** as they work together as part of a team to present polished performances.
- ♦ Developing **confidence**, **recognising emotions**, overcoming nervousness and **being proud of achievements**.
- ♦ **Excellence** - doing our best and making our performances highly entertaining for the audience.
- ♦ **The important steps in the process of putting a performance together** – organising costumes, making props, remembering dance moves and knowing where to stand on the stage.

BUILDINGS

It is with much excitement that this week we have seen the completion of the new modular building. The building works in the old main building, which is transforming 7 classrooms into 4 large classrooms will be completed early next term. The modular and the new rooms in the old main block will be state of the art learning spaces and it has been decided that such spaces should be used as classrooms ie, the best spaces be the most utilised. It is anticipated that classes will be moving in to the modular this term and a domino effect will see the current 5/6 unit transformed into a 'specialist' hub which will house the library, the computer lab and teacher resource room. These are very exciting times for our school.

IMPORTANT DATES

Monday 8th October - First day of Term 4

Wednesday 31st October - Orders for concert photos and DVDs close

These students
from Prep/1T were
at school
"All Day, Every Day"
last week

Liddiard Road Primary School is now accepting enrolments for 2019.

Pre-school/Kindergarten, please call in or give us a call on 5174 1795 to commence the enrolment process for your child.

We are also able to take students who are currently enrolled at another school.

You can make an appointment for a look around the school and a chat with the Principal.

We look forward to hearing from you.

Don't forget to order your concert photos and DVDs.

Orders will be taken until 31st October.

Please feel free to pop in and check out the photos and make your selection.

Orders with payment will be taken at the office.
