BUILDINGS UPDATE

This week we are having some new eaves reinstated in the Old Main building as part of the Asbestos removal program. We are expecting that this work will be completed prior to the school holidays.

FINAL ASSEMBLY

We will not have a final assembly next week. We will dismiss at 1pm.

TERM 2 EVENTS PLANNER

Normally we would advertise our events well ahead of schedule to give parents time to factor such things into their budgets. At this point, this is challenging as everything is on hold with the State of Emergency, that currently exists in Victoria. We will try to keep you updated as things come to hand.

CORONA VIRUS UPDATE

It is pleasing to see that our attendance is high despite the current climate with COVID-19. We are encouraging students to wash their hands regularly and use good hygiene habits such as covering mouths when they cough etc.

Between now and the end of the term, we are reducing the risk of staff/students/parents contracting or spreading COVID-19 by cancelling events that involve the students leaving the school or having community members in the school.

PLEASE NOTE: No one in our school community has been diagnosed with the virus.

Activities that have been cancelled or postponed include: -

- ◆ Student Support Group meetings (SSGs).
- ◆ Traralgon Secondary Excursion for 3/4s this Thursday and next Thursday.
- ◆ Parent/Teacher interviews – these will be postponed until term 2.
- ◆ District Aths – these have been postponed by the organising committee.
- ◆ Halogen Young Leaders Day – JSC/School Captains were to attend in Melbourne.
- ◆ End of term assembly.
- ◆ Alpha Show (first week of next term but postponed due to the unpredictability of current climate).
